Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is a copy of an Official Communication issued in a corresponding Chinese Patent Application. For the Examiner's convenience, we have enclosed an English translation of the Chinese Official Communication from the corresponding Chinese Patent Application and a completed Form PTO-1449.

Applicant has had this translation prepared by a professional translation service and Applicant presently has no reason to doubt that the translation is accurate. However, Applicant has not independently verified the accuracy of such translation, and

accordingly, submission of the same should not be taken as a binding admission by Applicant that the translation is accurate.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application. Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicant respectfully requests that the English translation of the Chinese Official Communication be made of record in the subject application.

Respectfully submitted,

Date: October 13, 2005
